## **Blossom Home Care's Statement of Purpose**

### **Aim's and Objectives of Blossom Home Care**

Our ethos is to provide **"Bloomin" good care** to the residents of GRIMSBY and its surrounding areas in their own homes.

Owned by Viral Gohil, Taranpreet Nijjar, Gurinder Nijjar and Sharanpreet Gohil. Blossom home care Lincolnshire will be mainly operated by Mrs Sharanpreet Gohil who has been working for the NHS as a Neonatal Nurse at the Diana, Princess of Wales Hospital, Grimsby Hospital for the past 18 years (since 2005). Her career has progressed over the years into a Senior role within the NHS. Her role has involved caring for sick vulnerable babies/children and supporting their families throughout their journey on the Neonatal unit. She is very passionate, kind and also strives to maintain high standards of care and work. She has many transferable skills that will be well utilised within Blossom Homecare.

They became part of the Blossom Home Care Franchising Ltd family in 21/10/2022

Blossom Home Care was established by John and Fiona Leggott after they realised that there was a gap in the market for a service provider offering quality care to elderly people who wanted to remain in their own homes. As a qualified registered nurse, Fiona worked as a community staff nurse, and constantly witnessed the devastation failing, low-cost home care was having on people and their families.

Unfortunately, care has become a cost driven industry. Local Governments are driving down the cost of care in order to achieve budgets with the result that staff and services are under pressure to deliver. We believe that the vast majority of failed care is due to this downward pressure on costs. At Blossom Home care we don't believe this is right, especially as peoples' lives are at stake!

So as John (Franchisor) likes to say "if it isn't right, its wrong"

This is why we have decided to take a totally fresh approach to home care for the elderly.

- We will not compromise care for cost.
- We will deliver the highest standard of care from the very best staff and management team.

- We will step away from local government contracts.
- We will help create an environment where the elderly people in our care can continue to feel they can blossom and thrive.
- We will only work with people who understand the importance of and want 'just "Bloomin" good care' delivered in a true, honest and high quality way.
